Per my phone conversation with the Initial Patent Examination Division office this afternoon regarding a Notice to file Missing Parts on the above referenced patent application, I have attached confirmation from the USPTO that we previously filed a Declaration and Power of Attorney for this patent application in March 2004. Applicants respectfully request that the petition application be granted, and that the examination be continued as the above missing parts were submitted as required by the Notification of Missing Requirements Under 37 CFR 1.63 in the United States Designated/Elected Office dated March 15, 2004.

Sincerely,

Nancy M. Stedtler
